Dear Parishioners of Divine Savior and our Cherished Visitors:
Happy Memorial Day Weekend as well as Happy Most Holy Trinity Sunday. Some people have great difficulty getting their minds around the mystery of the Trinity. Perhaps one way to approach it is to see ourselves as having different elements within our personhood, including our intellectual and intuitive capabilities and the fact that we are emotional and spiritual beings. Just as the three persons in the Trinity make themselves known through different activities but are fully united in one being, so we humans are each of us likewise unified beings.

One aspect of the Trinity that many find unique is that all three of the persons of the Trinity have been alive and active since forever. God was the architect, the Holy Spirit provided the wisdom for how creation would come to be, and the second person spoke the powerful Word by which all we experience as the beautiful creation of God came about. All three persons functioning in loving ways. We refer to the second person of the Trinity as Jesus, because in Him the Word became flesh and dwelt among us.

As we see in today’s Gospel, Jesus, the word of God become flesh, spoke on behalf of Father Creator and the Spirit of God. In that, the Spirit is known through different activities but are fully united in one being, so we humans are each of us likewise unified beings.

Our second reading also states that we are to bear witness to the intimate connection with the Father, expressed as we refer to the Father as “Abba,” an always caring being. Our second reading also states that we are to bear witness to who we are through the gentle influence of the Holy Spirit. Our first reading helps us to see how caring our Creator God is to free us from all that interferes with the loving and intimate relationship that we are invited to enjoy. Blessed so abundantly by the One who created us, we are promised that allowing ourselves to be blessed with the love of the Trinity, we will lead others to believe in the Lord our God.

Come share that talent with your Parish Family on Saturday,

LOOKING FOR CHILDREN’S BOOKS
GET ON THE BUS MINISTRY RETURNS!
The Lay Salvatorians of DS parish, along with the Knights of Columbus, will be hosting children traveling to visit their incarcerated parents at Folsom Prison in June. We are looking for gently used and new children’s books for children (birth-teens) to give to them as they arrive for their day with their parent. This was hugely successful when we did it in prior years, and we'd like to gift the children again this year. Please drop off your books in the Vestibule in the designated containers from now until June 23. This is a great opportunity for us to support children in their literacy development and express our care and support of them growing into productive citizens. Questions? Jan Bencken 916-987-1836

Sunday, May 27th at the 9:30am Mass,

Divine Savior Financial Update
Fiscal Year July 1, 2017 – June 30, 2018
The purpose of this report is to provide an update on the health of the parish finances as we are in the last two months of our fiscal year and to alert you to some exciting planning activities that are scheduled for the summer and fall.

Current Financial Trends
1) Revenues have increased by 5%. As ministries expand so do expenses but thanks to your generosity, our revenue is keeping pace. Thank you to all parishioners that review the weekly bulletin to see how we are progressing with weekly plate collections and those who have increased their contributions to keep our revenue growing.
2) Fundraising events so far this year brought in about the same revenue as the prior year.
3) We have raised over $1.6 million of our $1.65 million capital campaign target! This campaign ends in November so please complete your obligation or continue contributing to the monthly building fund.

Upcoming Planning Activities for the July 1, 2018 – June 30, 2019 Fiscal Year
The Finance Committee is working with the Parish Pastoral Council (PPC) on the following:
1) Celebrating the conclusion of the capital campaign and communicating to parishioners how we have spent or will spend the parish proceeds from the campaign.
2) Creating a new 5-year plan for our Parish. Part of the planning process for our capital campaign was creating a 5-year plan for the maintenance or expansion of our facilities and continued growth of our ministries. You might recall that we did a survey and conducted several town hall meetings. At that time, the top five areas that parishioners wanted to see development were:
   • Welcoming environment; including facilities to serve all parishioners & ministries
   • Community Outreach
   • Faith formation for all ages
   • Youth programs
   • Senior programs
We have seen growth in many of these areas and we are excited to be working closely with the PPC to summarize and celebrate the successes of so many different ministries, gather parishioner feedback concerning how we can continue serving our communities, and develop a new 5-year plan.

Final Thoughts
Your Finance Council appreciates the steady commitment of parishioners to support the ongoing financial needs of the Parish while also participating in the assessment and funding of longer-term goals.
