Dear Beloved People of Divine Savior and our cherished visitors:

A very wealthy man asked a priest what he can do to cut back on the extravagant Christmas gifts his adult children asked for and expected. The priest gave him a check for $10,000 which they were free to share with their favorite charity(ies). The wealthy man called the priest on Christmas Eve and invited him to his home so that he might rescue the gathering from the very sad, entitled and disappointed family members gathered at his home (a true story). I think Jesus probably got a similar response when He advised the Pharisee host to invite to his lunch or dinner the poor, the sick, the blind, the lame and the blind. While those in desperate need might not be able to repay the host in an equitable manner, they will nonetheless be a source of great blessing to the host.

We know that this is the case for the volunteers that serve needy people through our St. Vincent de Paul Society as well as our Christmas Basket ministry and Community Meal. Service to the poor can always be a very enriching experience; even if we have no money or food or other assistance to offer. A simple, courteous greeting along with a loving smile can bring great blessings to all involved. Our psalm affirms this notion because the unites people just as that love can bond all the people God has ever created. May the Lord bless and prosper you and make His face shine upon you. Amen.

Thank you for your support of the Parish Stewardship.

Divine Savior is offering an Early Childhood Faith Formation at 9:30am in the St. Cecilia Room (during Mass) for our youngest parishioners ages 3 – Prekindergarten.

Children have a uniquely strong connection to God. Therefore, we are called to exercise different approaches when supporting the faith of our youngest parishioners. Children at this age cannot be “taught” about God, but rather God is absorbed through all five senses from a properly prepared environment. In this way, the children are supported in their curiosity. In this way, there is noth-
